

iPlay series

Indoor/Outdoor cabinet speaker

iPlay series

New series iPlay speakers show an elegant and generous appearance for decorators with unique and delicate sound: iPlay bracket-mounted cabinet speakers deliver crystal-clear sound. They can be used to indoor and outdoor not to exposing rain. iPlay speakers have Polypropylene woofer and Mylar woofer.

They are ideal for mounting under eaves, on the patio, on the boat, and in many home and commercial applications with easy installing vertically and horizontally. With the gold-plated binding posts, solid brass and rustproof hardware, aluminum grille and resonance-free, corrosion proof cabinet, all iPlay cabinet speakers are completely weatherproof and rustproof.
